

ATP Newsletter, April 2017

<http://www.astro.lu.se/Newsletters/>

Staff news

- 1 Dominic Ford starts as a postdoc in Lund for a year, working with Ross Church and Sofia Feltzing
18 Henrik Jönsson starts as a postdoc in Lund for two years, working with Nils Ryde

Regular seminar schedules

Astronomy – <http://www.astro.lu.se/Seminars/>
THEP – <http://particle.thep.lu.se/Seminars/>
CBBP – http://cbbp.thep.lu.se/~carl/internal/group_meetings.html

Additional talks and seminars

- 26 ATP talk by Ruth Pöttgen (Dept of Physics, Lund) Title: Looking at the invisible — Searching for Dark Matter Production at the LHC

Visitors

- 3-7 Justin Read visits astronomy
11 Janet Drew visits astronomy

Important dates and events

- 3-5 “Big Questions in Astrophysics the next decades” meeting in Lund
18 REACH meeting (see www.compile.lu.se for further information)
19 Department board meeting (13:15 in Charlier)
24 Lund - Copenhagen disc meeting in Copenhagen

Absences, trips and other travel

- 4-7 Lennart Lindegren and Paul McMillan attend a Gaia CU3 meeting in Heidelberg
4-7 Oscar Agertz is an invited speaker at ‘Globular Cluster Formation and Evolution in the Context of Cosmological Galaxy Assembly’ at Chicheley Hall, UK
5-7 Torbjörn Sjöstrand and Leif Lönnblad attend MCnet meeting at CERN, Switzerland
10 Dainis Dravins visits the Mars simulation laboratory in Aarhus
12-13 Anders Johansen gives seminar at the University of Amsterdam, Netherlands
19-27 Sofia Feltzing travels with the ESO STC to Chile for STC meeting and site visits
20-21 Ross Church attends a LISA Data Processing Center meeting in Paris, France
23-28 Louise Howes, Paul McMillan and Lennart Lindegren attend IAUS330, “Astronomy and Astrophysics in the Gaia sky”, in Nice, France
24-28 Bertram Bitsch attends the “Atmospheres of Disks and Planets: Chemistry, Dynamics and Observations” workshop in Ringberg, Germany
26 Nils Ryde gives a seminar at Onsala Space Observatory
26 Melvyn B. Davies attends APEX Board Meeting in Onsala
28 Sofia Feltzing, as representative of the EAS Council, participates in ASTRONET board meeting Leuven, Belgium
29-2/5 Nils Ryde and Brian Thorsbro attend a Galactic Center workshop at Nice Observatory, France

Editor: Ross Church (ross@astro.lu.se). Deadline: 17.00 on the last day of the previous month.
