Regular seminar schedules

Astronomy – <http://www.astro.lu.se/Seminars/>

THEP – <http://particle.thep.lu.se/Seminars/>

CBBP – http://cbbp.thep.lu.se/~carl/internal/group_meetings.html

Additional talks and seminars

- 4-5 PhD seminars in Lundmarksalen
- 5 Department Board meeting in Charlier at 13:15
- 11-12 Compact Objects for All in Lundmarksalen
- 14 eSSANCE@LU - New Projects 2020 in Lundmarksalen
- 13 Introduction for new employees in Charlier at 10:30
- 20 Simona Pirani defends her PHD thesis in Lundmarksalen at 09:00

Visitors

- 5-7 Adrian Barker (Leeds) visits OTA (host: Alex Mustill)
- 24-3/4 Alfred Castro-Ginard (University of Barcelona) visits OTA (host: Paul McMillan and the Gaia group)

Absences, trips and other travel

- 2-6 Oscar Agertz visits NYU Abu Dhabi and gives Physics seminar
- 5-7 Lena Magnusson takes a vacation
- 10-11 Johan Bijnens attends the Finnish Academy panel on experimental and theoretical particle and nuclear physics, astroparticle physics, theoretical cosmology as well as gauge/gravity duality
- 11-13 Roman Pasechnik attends the PARTICLEFACE 2020 workshop in Krakow
- 20 Sofia Feltzing attends international committee at KVA, Stockholm
- 20-21 Beibei Liu visits Stockholm University in Stockholm
- 21 Dainis Dravins visits Linnaeus University in Växjö and gives seminar
- 24-28 Anders Johansen, Thomas Ronnet, Linn Eriksson, Antoine Petit and Johan Appelgren attend the First solids and planetesimal formation winter school in Les Houches
- 26-27 Daohai Li visits Uppsala University in Uppsala
- 27-28 Dainis Dravins attends international science conference at University of Latvia, Riga

Editor: Daohai Li (li.daohai@astro.lu.se). Deadline: 17.00 on the last day of the previous month.
