Staff news

- 7 Anders Johansen vacation
Emil Andersson starts as a PhD student, supervised by Victor Olariu
Caroline Unmack vacation: June 12-13, June 20 - July 5, July 22 - August 16
Eva Jurlander vacation: June 3, July 15 - August 2, August 22-23
Lena Magnusson vacation: June 3, July 15 - Aug 9

Regular seminar schedules

Astronomy – <http://www.astro.lu.se/Seminars/>
THEP – <http://particle.thep.lu.se/Seminars/>
CBBP – http://cbbp.thep.lu.se/~carl/internal/group_meetings.html

Visitors

- 09-12 Masahiro Ogihara visits astronomy (host: Michiel Lambrechts)
10-14 Alessandra Mastrobuono-Battisti visits astronomy (host: Ross Church). Alessandra starts as a researcher in 2020
10-14 Bertram Bitsch visits astronomy (host: Anders Johansen)
10/6-5/7 Urs Schäfer visits astronomy (host: Anders Johansen)
12 Candidates for tenure track position in exoplanet observations visit astronomy

Important dates and events

- 14 Handedarekollegium
19 Herring lunch

Absences, trips and other travel

1-13	Abbas Askar visits collaborators at Copernicus Center in Warsaw, Poland
3-20	Oscar Agertz attends NORDITA program on the ISM and Galaxy Evolution and gives invited review talk
3-7	Colin Carlile and Dainis Dravins attend the Cherenkov Telescope Array (CTA) Consortium meeting in Lugano and give talks
3-7	Melvyn B. Davies attends a planetary dynamics conference at MPIA, Heidelberg
4-6	Sofia Feltzing visits Nottingham and gives an invited seminar
10-15	Beibei Liu attends the Trappist-1 conference in Belgium
10-17	Leif Lönnblad attends PSR19 in Vienna
11-12	Paul McMillan attends '15 years of Galactic Archeology with RAVE – Past, present and future' conference in Potsdam, Germany
11-12	Roman Pasechnik visits Stockholm university as a member of the PhD committee for Sebastian Baum
13-16	Christian Sahlholdt, Paul McMillan, Gregor Traven (12-17) and Sofia Feltzing (13-17) attend 'Stars without borders - A galaxy in crisis' in Ljubljana, Slovenia
14-24	Nils Hermansson Truedsson attends 'Lattice 2019' in Wuhan, China, and gives a talk
17-20	Alex Mustill (talk), Anders Johansen and Beibei Liu attend 'From Stars to Planets II' in Gothenburg
18	Sofia Feltzing attends KVA Class 2 meeting in Uppsala
19-20	Sofia Feltzing visits AIP, Potsdam, to work on 4MOST
23-26	Melvyn B. Davies attends workshop on astronomical visualisation at Dagstuhl Schloss, Germany
23-29	Sofia Feltzing, Gregor Traven, Iryna Kushniruk, Thomas Bensby, David Hobbs (invited talk) and Dainis Dravins (invited talk) attend EWASS 2019 in Lyon, France
23-37	Madeleine Burheim, Brian Thorsbro (invited talk), Hampus Nilsson and Henrik Hartman attend 'Atomic Spectra and Oscillator Strengths' in Shanghai
24-28	Alexey Bobrick attends sdOB9 meeting in Hendaye
24-28	Fan Liu attends the Ringberg star-planet meeting in Ringberg Castle, Germany
24-29	Christine Rasmussen attends Initial Stages in New York
24/6-20/7	Nils Ryde is invited professor at Observatoire de la Cote d'Azur, Nice
28	Anders Johansen attends PhD defence at Paris Observatory
29-6/7	Oscar Agertz attends IAU Symposium 353 in Shanghai and gives invited talk

Editor: Ross Church (ross@astro.lu.se). Deadline: 17.00 on the last day of the previous month.
